PILLMINDER

A mobile app login screen mockup. At the top, a black status bar shows 'PROTO.IO', '10:47', and '90%' battery. The main background is a teal gradient with a large black person icon in the center, circled by a thin black line. Below the icon, the text 'Become a part of our Community' is displayed. The login form consists of two text input fields labeled 'Username' and 'Password'. Below these is a checkbox labeled 'Remember Me' which is checked. A blue rounded button labeled 'Login' is positioned below the checkbox. Under the button is a link that says 'Forget your Password? Get Help'. At the bottom, there are two links: 'Not a member ?' and 'Create Account'. A solid teal rectangle is at the very bottom of the screen.

The image shows an Android alarm clock interface. At the top, there is a status bar with icons for Wi-Fi, signal strength, and battery, along with the time 12:12. Below this is a blue header bar with "Cancel" and "Save" buttons. The main area is blue and displays the time "06 : 00" in large white digits. Above and below the time are small white triangles for adjusting the time. Below the time is a row of seven blue boxes representing the days of the week: M, T, W, T, F, S, S. The 'T' (Tuesday) box is highlighted with a yellow underline, and the 'S' (Sunday) box is highlighted with a red 'S'. Below the day boxes is the text "Repeat weekly" followed by a green checkmark icon. At the bottom, there is a black section with the text "Alarm type" and "Melody" below it. The very bottom of the screen shows the standard Android navigation bar with back, home, and recent apps buttons.
